Applicant Information

Teacher Name (please provide only one name per application):

Teacher Email Address:

School Name:

*Note – a maximum of two ideas will be awarded per school

School Mailing Address:

School Phone Number:

Innovative Idea

Please provide information on your original and creative idea to teach nutrition in the classroom.

1) Name of Initiative:

2) Grade level this initiative is used in:

3) In 150 words or less please describe your original idea:

4) What is the teaching component of the activity and how does it relate to the curriculum?
Please note this activity should not be a nourishment program (i.e. regular breakfast, snack or lunch program provided to students).

5) How does your activity help students increase their intake of vegetables and fruit and/or milk and alternatives?

6) Does your idea link with the Nutrition Month® 2012 theme, **Get the Real Deal on your Meal?**
If so, how?

If I am selected as a winner of this award, I give permission for my name, the name of my school and my nutrition initiative to be featured on the teachnutrition.org Web site.
